Bandra-Kurla Complex is an extraordinary commercial complex located in close proximity to Kurla West, Andheri East, and Santa Cruz East, and consists of a bevy of malls, restaurants, theaters, train stations, rickshaw stands, and practically anything else you could ask for. iKeva™'s workspace solutions at Phoenix Market City offer a luxurious, friendly, and inspiring environment not just within the facility, but also in the immediate surroundings.

Bandra is young, hip, and fast-paced, yet laid back, a combination that makes Mumbai, in general, the most interesting and vibrant metro in the country. Inside, you get twenty-four-seven generator backup, high speed WiFi, lounges, game rooms, meeting rooms, virtual offices, and on-call security and technical personnel – you name it, we have it. And just beyond the doors of the facility is the color and excitement of a great neighborhood in a great city.

You and your team can take advantage of a wide network offered through iKeva™'s expansive social and professional domain, and recruiters have convenient access to a wealth of talent in the numerous offices in the vicinity. Inside, plug-and-play offices provide a wonderful and relaxed environment that allows you to work hard and play hard at your own pace, depending on your personality, the synergy you have with your peers, and the vision and philosophy of your brand. You have full freedom to grow your business as you like – all we do is provide everything you need without getting in your way. Call-forwarding, personalized business address, an experienced support team and courier services take care of the minor things while you focus on the big picture: your work, wallet, and happiness.

We offer various perks as part of your membership with iKeva: gift vouchers, restaurant coupons, movie ticket discounts, and more. As a bonus, your friends and family can also take advantage of the many opportunities, diversions, and benefits at any iKeva location across the country.
